We also offer **OVERLAMINATE** and **PERFING** for all of the sizes and shapes of labels in the above price lists .

**OVERLAMINTING** is a relatively low cost way of adding a protective coating to a label that helps prevent scuffing and adds grease, oil, and solvent resistance.

**PERFING** between each label adds ease of dispensing for single label applications.

**OVERLAMINATING CHARGE** (gloss laminate only)      **\$ 5.00** per 1000 labels  
**PERFING CHARGE**      **\$ 17.50** per size per order
